Cayman Islands AEOI Portal Update: 20 May 2015

Department of International Tax Cooperation staff advise industry members that notifications may be submitted on or before **Friday, 29 May 2015**; and returns may be reported on or before **Friday, 26 June 2015**, without attracting adverse consequences or enforcement measures.

If you experience an issue with the portal, the quickest avenue to resolving it will be to check the [AEOI News & Updates](#) page, as a solution may already have been posted.

For assistance using the portal, or if you have not used the portal previously, please refer to the [AEOI Portal User Guide](#) and other legislation and resources, which are found on the portal.

If you do not find the answer to your issue, please email CaymanAEOIportal@gov.ky.
